The Potato Association of America

The Potato Association of America

Publishers of the *AMERICAN JOURNAL OF POTATO RESEARCH*

Join PAA today at

<http://potatoassociation.org/>

The Potato Association of America is a non-profit organization dedicated to improving potato health and utilization in the Americas and world-wide. Our **more than 500 members** from universities, government research facilities, potato breeding programs, consulting firms, corporate organizations, grower organizations and potato producing operations work to actively **promote all aspects of potato production, utilization and marketing, biology and breeding.**

- Six active working group sections:
 - Utilization and Marketing
 - Extension, Production and Management
 - Plant Protection (pathology, entomology and weeds)
 - Physiology
 - Certification
 - Breeding and Genetics

Membership benefits include

- Access to **the PAA Website's Members Only section**, including:
 - **PAA Membership Directory**
- Access to the PotatoNet e-mail/chat list and **instant networking** with potato professionals around the world. **Free two-month access** to the latest *Focus on Potato* webcasts
