

The Potato Association of America

Honorary Life Membership Qualifications, rules, and nomination instructions

One of the most significant ways to recognize outstanding contributions to the potato industry and to The Potato Association of America, is the awarding of Honorary Life Membership (HLM). This is the highest award bestowed upon an individual by the PAA. Each year at the annual meeting of the PAA this award is given to deserving individuals and is considered by many attendees the highlight of the banquet (new HLMs and their spouses receive complimentary awards banquet tickets the year they are inducted).

PAA members are encouraged to nominate candidates for HLM to be presented at the 2022 106th Annual Meeting in Missoula, Montana, United States

General qualifications for Honorary Life Membership.
